# ROKDIM - NIRKODA

ISRAELI FOLK DANCE MAGAZINE

**ROKDIM-NIRKODA**, an Israeli folk dance magazine published three times a year, is a joint venture of Rokdim, based in Israel, and the Israeli Dance Institute in the United States.

**ROKDIM-NIRKODA** represents the merger of the Israeli Dance Institute's English language publication, Nirkoda, with the Hebrew-based Rokdim. This venture makes the content of Rokdim more accessible to Nirkoda's English language readers.

**ROKDIM-NIRKODA**, a magazine printed in both English and Hebrew, contains articles on all aspects of Israeli dance including dances, choreographers, etc., plus listings of ongoing sessions and more. Subscribers will also receive **Keshet LeMachol**, the Israeli Dance Institute's bimonthly Clearinghouse Calendar that is published only in English, and, as part of this offer, will be sent as an Adobe Acrobat (pdf) attachment via e-mail. **Keshet LeMachol** brings you the most complete information available about world wide Israeli dance and related events. Each issue also includes a featured dance with both the step descriptions and the song lyrics in Hebrew, English transliteration and translation.
